

Buying Online Services through CSP

ONLINE SERVICES SUBSCRIPTIONS

A Subscription is created for each license type that a customer requires

User Subscription Licenses (User SLs) may be added to, or removed, from a Subscription at any time

Payment is made for licenses upfront monthly or annually

Subscriptions last 12 months and then automatically renew

Prices are fixed for the duration of the Subscription

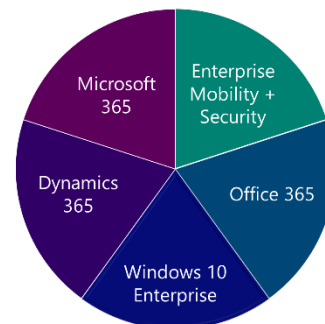

Subscriptions may be suspended if customer requirements change

AVAILABILITY

License-based services are licensed with User Subscription Licenses assigned to individual users. The following license-based services are available through CSP:

USE RIGHTS

The use rights of license-based services acquired through all programs are governed by the Product Terms and Online Services Terms documents. Licenses acquired through CSP are also subject to the terms of the Microsoft Cloud Agreement which may restrict use rights that are detailed in the Product Terms and Online Services Terms documents.
